Nicholls State University

Have you seen these crabs?

If you find them, please let us know.

Why should you report?

- **Earn \$5 to \$50 per crab reported**
- Help local Nicholls State graduate students complete research
- Help the local community learn about blue crab movement and fishing mortality

How to report:

- Call 1-800-624-2857
- Report online at www.crabtags.org

What to report:

- Tag number
- Date crab was found
- Location where crab was found (GPS coordinates if possible)
- Color of sponge (if carrying eggs)
